

Thursday 5<sup>th</sup> July

Dear Parents and Carers,

**Fun Sports**

Having looked at the long term weather forecast for next week, it looks as though it is going to be very hot on Wednesday 11<sup>th</sup> July when we have planned our Fun Sports and picnic. For this reason we have decided to have the Fun Sports at an earlier time of **9.30am**. It should finish at 10.30am when the children will have their usual fruit snack and we will be giving them an ice pop. We will therefore be cancelling the picnic on the grass and the children will have dinner as normal in the hall. We would however like you to stay while they have their snack and return to classes at 11am.

I am really sorry about the picnic but we think it will be too hot for the children and we need to let our cook, Mr Smith and yourselves of course have plenty of notice as to what is happening.

I will draw the **raffle at 10.30am** so please make sure we have all your tickets and money back please before then along with items for the hamper. There are other prizes besides so well worth buying the tickets!

Thank you for your understanding.

Yours sincerely

Wendy Collins

Headteacher
