Dear Parents and Carers

Important dates leading up to the end of term

Just a little reminder of the events leading up to the end of term. Hopefully you have signed up for parents evening this week where you will receive your child's long record of achievement for the year. Please make a comment as this helps to inform us of the format in future.

Fund Raising

This week we have a fund raiser and will be holding a cake sale on Friday 29th June 2018 at 3.10pm in the playground, weather permitting. It has been suggested that we finish school at 3.10pm on that day so that you can meet your child in the playground as usual and then go to the cake sale. If you cannot make it for 3.10pm then please don't worry, we will keep your child until the usual finish time.

We will also be holding a Summer picnic hamper raffle at our Fun Sports and hope you will buy some raffle tickets. We will send home four strips each and they cost £1 per strip please return as many as you can. Also, please can you sign up to bring in an item for the large hamper, as with the Christmas raffle.

School Disco

As usual we have Malcom the Magician visiting us on Thursday 12th July 2018 between 5.30pm and 7pm. The children really enjoy his show and it is a nice end of term event for everyone. Tickets for the show will go on sale on Friday 6th July 2018 and will cost £3 each. Money can be sent into school in a sealed envelope or deposited in the secure box in the office and a ticket will be returned in your child's book bag.

Transition

Years R and 1 have already met their new teacher and class for one afternoon and will do the same for two more afternoons before the end of term. Year 2 have had the opportunity to have lunch at the junior school and are spending the afternoon on changeover day with their new teachers. We know from experience that this will help the children settle quickly into the new routine in September.

Summer Concerts

The concerts performed by the children are the same on each of the three days. We would ask that only two adults attend and only on one day. As you know we are always short of space in the hall for these events and this would help us very much.

Just to reassure you that we will not keep the children out in this hot weather for too long while the weather persists. If it is very hot on Fun Sports Day we may have to have the event earlier but we will give you notice of this if it is necessary.

Yours sincerely

Wendy Collins
