We would like to invite Year 1 parents to the phonics and reading event which would like an additional phonics screening check.

Therefore, we will be holding two workshops for Year 1 parents to attend. The workshops will contain some phonics tips and games for you to take away and try with your child at home. We will also give some details about the statutory Phonics Screening Check which takes place in the Summer Term. We would love to see as many of you as possible so therefore we are offering the option of two different dates. Please note that you will not need to attend both as we will be repeating the same information at each workshop. If you are unable to attend either workshop please do speak to your child's class teacher so that they can share with you the games and resources.

Many thanks
